

# 13th International Conference of the French Association of Experimental Economics Montpellier, May 25-26, 2023

## Call for Papers

The 13th International Conference of the French Association of Experimental Economics (ASFEE) will be held in Montpellier on May 25-26, 2023. It is organized by the Center for Environmental Economics – Montpellier (CEE-M).

The conference will provide an opportunity for researchers to present results of laboratory and field experiments. It will cover all topics regarding behavioral and experimental economics, e.g. decision theory, game theory, institutions and markets, neuroeconomics, and others. Methodological and theoretical papers dealing with experimental and behavioral issues are also welcome. Preliminary work concerning proposals for experimental designs can be submitted to the poster session.

Organized sessions are welcome. Please send us an email in case you want to organize a session at the ASFEE meeting.

## Location

The conference will take place at the Faculty of Economics, University of Montpellier, site Richter, avenue Raymond Dugrand, which is located in one of the central areas of Montpellier. Further information regarding the conference dinner, travelling, and lodging options can be found on the conference website: <https://asfee2023.sciencesconf.org/>

## Submissions

Please submit an extended abstract for “oral” or “poster” presentation using the conference website by March 15.

## Keynote speakers

Maria Bigoni  
*University of Bologna, Italy*

Michael Kirchler  
*University of Innsbruck, Austria*

Robert Metcalfe  
*University of Southern California, USA*

## Important Dates

Abstract submission opens: January 11

Abstract submission closes: March 15

Decisions on acceptance: April 12

Early registration closes: April 26

Late registration closes: May 10

## ASFEE Prize

All experimental PhD project posters will be considered for the Young Researcher Prizes. Three prizes will be awarded. Each prize consists of financial (1,500€) and technical support for the young researcher to complete their experimental project.

## Contact Information

The local organization committee is headed by Marc Willinger, Dimitri Dubois, and Rustam Romaniuc. For any question, please get in touch with us at: [asfee2023@sciensesconf.org](mailto:asfee2023@sciensesconf.org)
